Everything you need, right out of the box!

Mitsubishi Unisen™ Immersive Sound LED TV envelops you in sound. It's the only premium flat panel TV with a 12-speaker Dolby® Digital 5.1 surround sound system designed right into the television – uniting superior picture with superior sound for a complete, enhanced sensory experience. Enjoy concert sound quality without the need for separate components.

All 2010 154 Series Unisen™ LED TVs integrate StreamTV™ Internet Media, enabling instant access to an extensive library of high quality entertainment and social media content. StreamTV provides consumers with over 100 different applications, including Vudu movies, Pandora, Flickr, Picassa, Facebook, Associated Press, New York Times and many more.

Mitsubishi Unisen™ Immersive Sound LED TV. Because a beautiful picture deserves beautiful sound.
